

ECOMMERCE SHOPPING CART PLUGINS

DPO Group Wix Setup

Thank you for using DPO Group as payment processor for your Wix Shop.
In order to setup DPO Group as your payment processor, follow the steps and instructions outlined below,
and feel free to contact the DPO Group support team at <https://dpogroup.com/contact-us/> should you
require any assistance.

OPEN A DPO GROUP ACCOUNT:

STEP
1

You need a Merchant Account with DPO GROUP to accept online payments on Wix.
Register a new Merchant Account with DPO GROUP by completing the online registration
form at <https://dpogroup.com/get-started/>.

STEP
2

One of our sales agents will contact you to complete the registration process.

STEP
3

You will be provided with your DPO Group Merchant Credentials required to set up your Wix Store.

DISCLAIMER:

DPO Group has developed and tested the compatibility of this shopping cart plugin in line with the listed shopping cart version and relevant DPO Group API's. DPO Group does not guarantee that the shopping cart plugin will work in your environment. DPO Group has no obligation to make changes to the shopping cart plugin should it not work in your environment. Should development be required to accommodate your environment, DPO Group reserves the right to bill a development fee.

SETUP DPO GROUP IN YOUR WIX ADMIN PANEL

STEP 1

From your Wix Admin panel click Settings > Accept Payments.

STEP 2

Near the footer, click More Payment Options, then click See Options under Direct Pay Online. Click DPO Group and then click Connect.

STEP 3

Enter your Credentials and click the Connect button.

DPO GROUP WILL NOW BE AVAILABLE AS A
PAYMENT METHOD ON THE CHECKOUT PAGE.
